

MY YEAR AS AN ADULT

CAPSTONE

Built at home over three weeks: Apr 15 – May 6.

Presented live on May 6.

At the presentation, each student draws TWO shock cards
and re-balances their budget out loud.

EIGHT STEPS. ONE LIFE ON PAPER.

1. Career chosen, real wage looked up
2. Take-home pay computed from gross
3. Monthly budget with real researched prices
4. Housing — rent or buy, with the math
5. A car financed
6. Person, car, and home insured
7. Emergency fund funded
8. 15% of pretax income invested

Name

Career chosen, real wage looked up

You learned this on Sep 10.

Take-home pay computed from gross

You learned this on Sep 17.

Monthly budget with real researched prices

You learned this on Nov 19.

Housing — rent or buy, with the math

You learned this on Apr 15 and Apr 22.

A car financed

You learned this on Oct 29 and Mar 25.

Person, car, and home insured

You learned this on Apr 1, Apr 8, and Apr 29.

Emergency fund funded

You learned this on Feb 4.

15% of pretax income invested

You learned this on Feb 25 and Mar 4.

The Rubric

Each step scored 0–100. The four questions are the lens:

Did they actually research it, not guess?

Is the number plausible for San Antonio?

Did they show the work?

Did they answer the question actually asked?

1. Career chosen, real wage looked up	score / 100
2. Take-home pay computed from gross	score / 100
3. Monthly budget with real researched prices	score / 100
4. Housing — rent or buy, with the math	score / 100
5. A car financed	score / 100
6. Person, car, and home insured	score / 100
7. Emergency fund funded	score / 100
8. 15% of pretax income invested	score / 100
Shock card 1 — budget correctly re-balanced	score / 100
Shock card 2 — budget correctly re-balanced	score / 100

Capstone = 15% of the year's grade.
